# What Makes Essence Different

One of the key differences between Essence and other health plans is how we work with and support the doctors who care for you. As a Medicare plan founded by doctors, we understand what your doctors need to make sure you are well taken care of. At Essence, it’s truly a team approach when it comes to you and your health.

We believe that teamwork results in quite a few things that you’ll find important and, frankly, refreshing. Here are just a couple:

## More Benefits for Less

There’s quite a bit of waste and inefficiency in healthcare—wasted time and money spent on things that don’t help you get healthy or stay healthy, and that can drive up costs for everyone. At Essence, by working as a team with your doctors, we eliminate a lot of that waste, which saves money. Those savings get passed on to you in the form of better benefits, a \$0 monthly premium, lower out-of-pocket costs and valuable extra coverage such as dental, vision and other benefits not available with traditional Medicare plans.

### A Health Plan Created by Doctors for Patients

Essence Healthcare was founded in 2003 by a group of doctors who wanted to create a new and better Medicare plan for their patients.

## A Better Healthcare Experience

If you or a loved one has ever been sick or injured or currently deal with a chronic condition or two, you know how complicated healthcare can get. Communication often breaks down, and you’re left in the middle to sort things out and make sure everyone is on the same page. At Essence, we do things differently. It starts with how we work with and support your primary care physician. We work closely with your physician—providing them tools, information and funding that allows them to spend more time to focus on you, help you manage your health and better coordinate your care. As an Essence member, you’re not alone. You can rest easy knowing that you have a team of people who are focused on getting you the medical care you need and making sure that nothing slips through the cracks.

*“I go to my primary care doctor every four months ... it’s great, it’s a relief. At this age and at this time in my life, the less stress I need to go through, I feel like the better I am and the happier I am.”*

**–Joan H., Essence Healthcare member**

# Getting Coverage Is Simple and Easy

## It's Seamless

You have many options when it comes to your Medicare coverage. Some people may just enroll in Parts A and B (Original Medicare). Many people may also add a prescription drug plan to their coverage. Others might choose to pay an additional premium for a Medicare supplement to cover some of the costs that Original Medicare doesn't cover. When you add it all up, it can get expensive and complicated. With a plan from Essence Healthcare, things get a lot simpler and much more affordable.

# The Essence Benefit: Hospital and Medical Coverage

## All the Basics—Covered

Essence provides all the Hospital (Part A) and Medical (Part B) coverage you find with Original Medicare, but there are some key differences that we think you'll like.

If you're familiar with Original Medicare, you may know that you're responsible for 20 percent of your costs. The issue with this is that you don't know what your actual out-of-pocket costs will be, and there's no limit to what you may have to pay each year. This makes it hard to budget for healthcare expenses and leaves your savings and retirement at risk in the case of an unexpected illness or injury.

With Original Medicare, there's ***no limit*** to your expenses.

With Essence, you'll pay a low copay for the majority of your hospital and medical services and, in some instances, no copay at all. We also don't include any annoying deductibles in our plan, which means we start covering you on day one.

*Unlike Original Medicare, we put a limit on what you pay out of your own pocket each year for any hospital and medical services.*

This limit is referred to as maximum out-of-pocket protection (MOOP). No matter what happens, you'll never pay more than the MOOP limit. At Essence, we like to set our limits low to give you the most financial protection possible.

### Did You Know?

Your maximum out-of-pocket limit is different than a deductible. A MOOP limit is the total amount that you're required to pay annually for covered hospital and medical services. Once you meet this limit, you won't have to pay any more money for covered services during that year. Note that there are some services that don't count toward your MOOP limit, such as certain eyewear or dental work. A deductible is the amount that you must pay out of pocket before a plan starts paying their share of a covered service. With Essence, you won't have a deductible.

# The Essence Benefit: Prescription Drug Coverage

## Saving You More On Your Prescriptions

Regularly taking medications can be an important part of maintaining your health and wellness. Unfortunately, the cost for those medications can really add up. At Essence, we never want the cost of your medications to get in the way. That's why our plan includes generous Part D prescription drug coverage for thousands of generic and brand-name medications, and no annual deductible is required.

And while you have thousands of pharmacies to choose from nationwide, with Essence you can save even more when you fill your prescriptions at one of our preferred pharmacies, which include **CVS, Walmart and Pharmax**. If you fill your prescription at any of these pharmacies, you're entitled to lower copays, including **\$0 copays** on all generic medications and reduced copays for brand-name medications.

We also offer additional ways to save. If you use our mail-order pharmacy, you can save even more on your prescriptions and have them delivered right to your door.

### Special Savings for People with Diabetes

If you have diabetes and take insulin, then you know how costly it can be. That's why we offer a special program for our members with diabetes. With an Essence plan, you can receive your insulins for a \$0 copay.

*"Most of our medications are free of charge, so that's a big plus."*

**—Robert G., Essence  
Healthcare member**

## The Essence Benefit: Dental Coverage

### Another Reason to Smile

It's easy to put on a smile. It's not always easy—or affordable—to make sure your smile is healthy and pain free. At Essence, we want to make sure that anything that affects your health is covered and that also means your teeth. Issues with your teeth can really wear on you both physically and financially, so that's why our plan includes dental coverage for no additional premium.

When you're an Essence member, you won't have to worry about finding the money for routine cleanings or exams; we cover two per calendar year for a \$0 copay. And we include other preventive coverage, such as X-rays and fluoride treatment to help find problems and alleviate any pain.

#### Did You Know?

Your oral health is more important than you might realize. Problems in your mouth can affect the rest of your body. Oral bacteria and the inflammation associated with a severe form of gum disease might play a role in some diseases such as endocarditis, cardiovascular disease and pneumonia. Conditions like diabetes and osteoporosis can affect your oral health. Taking care of your oral health is an investment in your overall health.

## Seeing Is Believing

The quality of your vision and your eye health are so important to your overall health and well-being. If you need correction for your vision, our plan includes a generous allowance for frames, lenses and contacts, but our vision coverage doesn't end there.

*Because an eye exam can tell your doctors so much about your overall health, we also include coverage for routine checkups and visits with vision specialists to make sure your eyes (and the rest of you) are healthy.*

In addition to eyewear and routine checkups, we also cover vision services such as eye surgery, diabetic retinopathy screenings and screenings for people at high risk for glaucoma.

### Did You Know?

Optometrists can spot many health conditions and vision problems just by taking a glance into your eyes. During an eye exam, doctors can often detect serious medical problems such as high blood pressure, diabetes, some cancers, autoimmune diseases, thyroid issues and high cholesterol.

Also, early treatment is key in preventing some common eye diseases from causing permanent vision loss or blindness.

## The Essence Benefit: Vision Coverage

## The Essence Benefit: Hearing Coverage

### Let's Hear It

Hearing loss is a lot more common than most people realize. According to the Hearing Health Foundation, nearly one out of every three adults between the ages of 65 and 74 has experienced some level of hearing loss, and that number grows to nearly half of all adults after the age of 75.

All of our senses are important, but being able to hear clearly is especially critical to overall health, happiness, personal safety and the safety of others. Our plan covers important routine hearing exams.

#### Did You Know?

Hearing is one of your most important senses. Hearing loss can be connected to stress, anger, depression, loneliness, memory loss and many other problems. Hearing problems can get worse or become permanent if you ignore them—so get help early.

# The Essence Benefit: Over-the-Counter Coverage

## Your Doorstep Drugstore

Think of all the money you've spent on things like pain relievers, vitamins, first aid products and other over-the-counter (OTC) supplies. Now imagine your health plan giving you an allowance to help purchase them in the future.

Our plan includes a \$40 quarterly allowance you can use to order a wide range of health-related products that you'd typically find at your corner drugstore. As an Essence member, you'll receive a catalog filled with hundreds of items to choose from, and ordering is quick and easy. You can call, mail in your order or place your order online, and your OTC items will be delivered right to your door.

### Here's just a small list of the types of available items:\*

- Allergy Relief
- Antacids and Acid Reducers
- Antidiarrheal, Laxatives and Digestive Health Aids
- Cold and Flu Medications
- Dental and Denture Care
- Eye, Ear and Foot Care
- First Aid Items
- Incontinence Supplies
- Pain Relief Aids (creams, heating pads, ice packs, etc.)
- Pain Relievers and Fever Reducers
- Skin and Sun Care Creams
- Sleep Aids
- Supports and Braces
- Vitamins and Minerals

*\*View our OTC catalog for a complete list of items.*

### Did You Know?

OTC items can be an expensive part of your healthcare. Also, without these items, it's likely you would seek professional medical treatment for minor ailments. An OTC allowance will help save you money and possibly reduce the number of visits with your medical provider.

## Stay Active. Stay Healthy.

Staying active can help you live your life to the fullest. That's why we've partnered with **SilverSneakers** to give you free access to participating gyms, health clubs and a host of different classes for any fitness level.

Whether you want to work out at the gym, at home or outside, it's all possible with SilverSneakers. If you want structure and guidance, in-person, instructor-led group fitness classes are available and include a range of options from classic strength-training workouts to yoga, swimming, dance and more.

*And if the gym isn't your thing, you can take advantage of live workouts and on-demand options at home, or join one of the SilverSneakers small group exercise classes outside of the gym in your community. Sometimes all it takes to get moving are the right options.*

From national gyms to local community centers, there are over 15,000 fitness locations nationwide to choose from. And that's good to know because you can use your SilverSneakers membership at any participating fitness center anywhere in the country—just another perk of being an Essence member.

*"We've always been active people in one way or another. We're dancers. We're runners. We're walkers. So with the Essence SilverSneakers program, it allows us a way to stay as active as we can."*

**—Johnnie H., Essence Healthcare member**

# The Essence Benefit: SilverSneakers

# The Essence Benefit: Transportation and Travel

## From Here to There

Seeing your doctor on a regular basis is important, and we never want your ability to get to your appointments to be an issue. That's why we include free transportation services to doctors and authorized medical facilities as part of your plan membership. If you need to go to the pharmacy to pick up a prescription, our transportation service can help with that, too.

Using your transportation benefit is simple and easy. As an Essence member, you'll be given a number to call to schedule your trip. Just provide where and when you want to go, and a driver will be there to take you to your destination. And if you have any special transportation needs, such as a wheelchair, they can help you with that, too.

## And Everywhere

Going out of town, visiting friends and family in another state or maybe traveling abroad? Rest easy knowing that if you get sick or injured while away from home, your emergency or urgent-care services are covered.

*"Wherever I go, Essence goes with me. It doesn't end on the state boundaries so wherever I go, I know I'm covered."*

# Frequently Asked Questions

Part of making sure you're getting the best coverage for your unique needs is having no unanswered questions. Listed below are some of the most common questions we hear from Medicare shoppers. If you have additional questions, one of our customer service team members is ready and waiting to help; just give us a call at 1-866-597-9560 (TTY: 711).

*"There's no monthly premiums, but I still get the same coverage I had when I was working and when you're retired, that's very important."*

**–Mike V., Essence Healthcare member**

## How can you offer a plan for a \$0 premium?

Medicare pays private insurance companies, like Essence Healthcare, to manage Medicare Advantage plans and better serve people with Medicare. By working cooperatively with doctors and hospitals, eliminating waste and focusing on helping our members stay healthy, we are able to save money. We then pass those savings on to our members in the form of generous benefits, lower copays and a \$0 monthly plan premium.

## Does your plan come with a deductible?

As an Essence member, you won't have to meet medical or pharmacy deductibles. Your coverage begins with the first dollar you spend. Typically, Original Medicare's Part B does come with a deductible, but when you sign up for an Essence plan, we cover that deductible for you so that you can start enjoying the many benefits we offer as soon as you join our plan.

## What is the maximum out-of-pocket limit?

Sometimes, people think that maximum out-of-pocket protection, often referred to as MOOP, is the same thing as a deductible. The MOOP amount puts a limit on what you have to pay out of your own pocket each year for covered medical expenses. Once you reach your MOOP limit in a given

year, you'll no longer have to pay copays or co-insurance for medical or hospital-related services. This is a great feature that protects your savings and makes it easy to budget for your healthcare costs—because you know you'll never pay more than the maximum out-of-pocket limit for covered medical expenses.

## If I join Essence, will I lose my Original Medicare coverage?

No. When you join Essence, you're still participating in Medicare and still have all the rights and protections you're entitled to as a Medicare beneficiary.

## Is this a Medicare supplement?

No. We are not a Medicare supplement. A Medicare supplement is a private company that charges up-front monthly premiums to help cover what Original Medicare does not. It's important to note that supplements do not include Part D prescription drug coverage or extra benefits like dental and vision. Essence Healthcare is a Medicare Advantage (MA) plan. Medicare pays companies like Essence to manage MA plans. Because of this, we're able to offer an all-in-one plan that includes hospital, medical and Part D prescription drug coverage as well as valuable extras like dental and vision benefits for a \$0 monthly premium.

*"Essence provides so much more benefits and at such a low cost. I've never seen anybody come close to that before. And the attitude of the people that you deal with is terrific. It's warm."*

## Who can join?

To join **Essence Advantage**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, be a United States citizen or are lawfully present in the United States and live in our service area. Our service area includes the following county in Missouri: Boone.

## What is an HMO?

An HMO, or Health Maintenance Organization, is a type of health insurance plan that usually limits coverage to care from doctors who work for or contract with the HMO. It generally won’t cover out-of-network care except in an emergency. An HMO may require you to live or work in its service area to be eligible for coverage.

## Which doctors, hospitals and pharmacies can I use?

**Essence Advantage** has a network of doctors, hospitals, pharmacies and other providers. If you use providers that are not in our network, the plan may not pay for these services. You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost sharing. You may pay less if you use these pharmacies. You can see our plan’s provider directory on our website [www.EssenceHealthcare.com](http://www.EssenceHealthcare.com). Or, call us and we will send you a copy of the provider directory.

## What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers—and *more*.

- **Our plan members get all of the benefits covered by Original Medicare.** For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- **Our plan members also get *more* than what is covered by Original Medicare.** Some of the extra benefits are outlined in this booklet.

## What drugs do we cover?

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website [www.EssenceHealthcare.com](http://www.EssenceHealthcare.com).
- Or, call us and we will send you a copy of the formulary.

## How will I determine my drug costs?

Our plan groups each medication into one of six tiers. You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug’s tier and what stage of the benefit you have reached. Later in this document, we discuss the benefit stages that occur: Initial Coverage, Coverage Gap and Catastrophic Coverage. If you have questions about the different benefit stages, please contact the plan for more information or access the Evidence of Coverage on our website.

Prescription Drug Benefits

	Essence Advantage (HMO)
Medicare Part B Drugs	For Part B drugs such as chemotherapy drugs: 20% co-insurance Other Part B drugs: 20% co-insurance Prior authorization may be required.
Deductible	This plan does not have a deductible.
Initial Coverage	You pay the following until your total yearly drug costs reach \$4,430. Total yearly drug costs are the total drug costs paid by both you and your Part D plan.  If you reside in a long-term care facility, you pay the same as at a standard retail pharmacy.  You may get drugs from an out-of-network pharmacy at the same cost as a standard retail pharmacy. Coverage is limited to certain situations if you go out of network.

Coverage Gap	Most Medicare drug plans have a coverage gap (also called the “donut hole”). This means that there’s a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what your plan has paid and what you have paid) reaches \$4,430.  After you enter the coverage gap, you pay 25% of the plan’s cost for covered brand-name drugs and 25% of the plan’s cost for covered generic drugs until your out-of-pocket costs total \$7,050, which is the end of the coverage gap. Not everyone will enter the coverage gap.		
Catastrophic Coverage	After your yearly out-of-pocket drug costs reach \$7,050, you pay the greater of: <ul style="list-style-type: none"><li>5% co-insurance or</li><li>\$3.95 copay for generic (including brand name drugs treated as generic) and a \$9.85 copay for other drugs (one month supply)</li></ul>		

Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits.

Understanding the Benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially services for which you routinely see a doctor. Visit [www.EssenceHealthcare.com](http://www.EssenceHealthcare.com) or call 1-877-709-9168 (TTY: 711) to view a copy of the EOC.
- ☐ Review the provider/pharmacy directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the provider/pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

# Medicare Enrollment Periods

Medicare has different enrollment periods for Medicare beneficiaries. The chart below explains the enrollment periods, their time frames and requirements for enrolling during that time.

Enrollment Period	Time Frame	About Enrollment Period
Initial Enrollment Period (IEP)	Three months before to three months after you become eligible for Medicare	This is limited to those who are turning 65 or qualify as Medicare disabled and, therefore, are becoming eligible for Medicare for the first time.
Annual Enrollment Period (AEP)	October 15–December 7	During the Annual Enrollment Period, you can switch, drop or join a different Medicare plan.
Open Enrollment Period (OEP)	January 1–March 31	This is limited to Medicare Advantage enrollees. You can make a one-time election to leave your plan and switch to another Medicare Advantage plan or Original Medicare. You can also add or drop Part D coverage during this time.
Special Enrollment Period (SEP)	Year-round	Only in certain cases can those who are eligible for Medicare qualify for an SEP to enroll in a Medicare plan. Examples of when you would be eligible for the SEP include a recent move that made new Medicare options available to you or leaving employer or union coverage. To find out if you’re eligible for the Special Enrollment Period, see the Attestation of Eligibility in the back of this booklet, talk to your licensed healthcare advisor or visit <i>www.Medicare.gov</i> .

# Star Ratings Explained

Each year, the Centers for Medicare & Medicaid Services (CMS), the government agency that oversees Medicare, rates how well Medicare Advantage plans perform in many different categories. Ratings are based on surveys of existing health plan members, information collected from doctors, information submitted by the various health plans and results from CMS monitoring.

## The Star Ratings Scale

- Excellent ★★★★★
- Above Average ★★★★
- Average ★★★
- Below Average ★★
- Poor ★

### Why Are Star Ratings Important?

Star ratings give you an unbiased view of a health plan by offering a single summary score that makes it easy for you to compare different plans based on quality and performance. They're a lot like Consumer Reports® but specific to Medicare plans. It's important to note that Star ratings are assessed every year and can change from one year to the next. New ratings come each October. You can always find the latest Star ratings for all the different plans at [www.Medicare.gov](http://www.Medicare.gov).

### Where Does Essence Rank?

Essence Healthcare is consistently among the highest-rated plans in the nation. For our latest Star rating, please see the insert in the back of this kit. You can also visit [www.Medicare.gov](http://www.Medicare.gov) to see how our Star rating compares to other plans in the area.\*

\*Every year, Medicare evaluates plans based on a 5-star rating system. Based on October 2020 Star rating data provided by the Centers for Medicare & Medicaid Services.

**If you currently have health coverage from an employer or union, joining Essence Healthcare could affect your employer or union health benefits. You could lose your employer or union health coverage if you join Essence Healthcare.** Read the communications your employer or union sends you. If you have questions, visit their website or contact the office listed in their communications. If there isn't any information on whom to contact, your benefits administrator or the office that answers questions about your coverage can help.

Paying your plan premiums

Whether you are enrolled in a premium or non-premium plan, you may pay your plan premium and any applicable Late Enrollment Penalty that you have or may owe **by automatic deduction from your Social Security (SSA) or Railroad Retirement Board (RRB) benefit check.** You may also choose to pay by Electronic Funds Transfer (EFT) from your bank, Credit card, Debit card, or check via mail each month.

**If you have to pay a Part-D Income Related Monthly Adjustment Amount (Part D-IRMAA), you must pay this extra amount in addition to your plan premium.** The amount is usually taken out of your Social Security Benefit, or you may get a bill from Medicare (or the RRB.) DON'T pay Essence Healthcare the Part D-IRMAA.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for Extra Help online at [www.socialsecurity.gov/prescriptionhelp](http://www.socialsecurity.gov/prescriptionhelp).

If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.

**If you do not select one of the payment options below, you will receive a monthly invoice.**

**Please select a premium payment option:**

☐ Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check.

I get monthly benefits from:  Social Security  RRB

It can take up to 90 days to receive SSA/RRB withhold acceptance. SSA/RRB will begin deducting on the date of acceptance. Members will receive an invoice for any months prior to the withhold acceptance date by SSA/RRB, which will be their responsibility to pay. In limited circumstances, Medicare may not allow for the SSA/RRB deduction option and may instruct the plan to directly bill the member. If this occurs, you will be notified in writing.

☐ Electronic Funds Transfer (EFT) from your bank account each month.

If you choose to have the funds taken directly out of your checking account, this is referred to as Electronic Funds Transfer (EFT). If you elect this method of payment, you will receive a letter from the plan requesting a Voided Check be returned with the letter for account setup. Do not submit a voided check at time of enrollment. Your request will be processed within 60 business days of receipt of returned voided check and letter. Premiums are deducted from your bank account on the 2<sup>nd</sup> day of the month for the current month's coverage.

☐ Direct Pay

You will receive a monthly invoice containing payment instructions.

If you currently have health coverage from an employer or union, joining Essence Healthcare could affect your employer or union health benefits. You could lose your employer or union health coverage if you join Essence Healthcare. Read the communications your employer or union sends you. If you have questions, visit their website or contact the office listed in their communications. If there isn't any information on whom to contact, your benefits administrator or the office that answers questions about your coverage can help.

**Paying your plan premiums**

Whether you are enrolled in a premium or non-premium plan, you may pay your plan premium and any applicable Late Enrollment Penalty that you have or may owe **by automatic deduction from your Social Security (SSA) or Railroad Retirement Board (RRB) benefit check.** You may also choose to pay by Electronic Funds Transfer (EFT) from your bank, Credit card, Debit card, or check via mail each month.

**If you have to pay a Part-D Income Related Monthly Adjustment Amount (Part D-IRMAA), you must pay this extra amount in addition to your plan premium.** The amount is usually taken out of your Social Security Benefit, or you may get a bill from Medicare (or the RRB.) DON'T pay Essence Healthcare the Part D-IRMAA.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not be subject to the coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778. You can also apply for Extra Help online at [www.socialsecurity.gov/prescriptionhelp](http://www.socialsecurity.gov/prescriptionhelp).

If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.

**If you do not select one of the payment options below, you will receive a monthly invoice.**

**Please select a premium payment option:**

☐ Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check.

I get monthly benefits from:  Social Security  RRB

It can take up to 90 days to receive SSA/RRB withhold acceptance. SSA/RRB will begin deducting on the date of acceptance. Members will receive an invoice for any months prior to the withhold acceptance date by SSA/RRB, which will be their responsibility to pay. In limited circumstances, Medicare may not allow for the SSA/RRB deduction option and may instruct the plan to directly bill the member. If this occurs, you will be notified in writing.

☐ Electronic Funds Transfer (EFT) from your bank account each month.

If you choose to have the funds taken directly out of your checking account, this is referred to as Electronic Funds Transfer (EFT). If you elect this method of payment, you will receive a letter from the plan requesting a Voided Check be returned with the letter for account setup. Do not submit a voided check at time of enrollment. Your request will be processed within 60 business days of receipt of returned voided check and letter. Premiums are deducted from your bank account on the 2<sup>nd</sup> day of the month for the current month's coverage.

☐ Direct Pay

You will receive a monthly invoice containing payment instructions.

Stand-alone Medicare Prescription Drug Plans (Part D)

**Medicare Prescription Drug Plan (PDP):** A stand-alone drug plan that adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private-Fee-for-Service Plans, and Medicare Medical Savings Account Plans.

Medicare Advantage Plans (Part C) and Cost Plans

**Medicare Health Maintenance Organization (HMO):** A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan’s network (except in emergent or urgent situations).

**Medicare Preferred Provider Organization (PPO) Plan:** A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors and hospitals but you can also use out-of-network providers, usually at a higher cost.

**Medicare Private Fee-For-Service (PFFS) Plan:** A Medicare Advantage Plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan’s payment, terms and conditions and agrees to treat you – not all providers will. If you join a PFFS Plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You will usually pay more to see out-of-network providers.

**Medicare Point of Service (POS) Plan:** A type of Medicare Advantage Plan available in a local or regional area which combines the best feature of an HMO with an out-of-network benefit. Like the HMO, members are required to designate an in-network physician to be the primary health care provider. You can use doctors, hospitals, and providers outside of the network for an additional cost.

**Medicare Special Needs Plan (SNP):** A Medicare Advantage Plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.

**Medicare Medical Savings Account (MSA) Plan:** MSA Plans combine a high deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.

**Medicare Cost Plan:** In a Medicare Cost Plan, you can go to providers both in and out of network. If you get services outside of the plan’s network, your Medicare-covered services will be paid for under Original Medicare but you will be responsible for Medicare coinsurance and deductibles.

**Medicare Medicaid Plan (MMP):** An MMP is a private health plan designed to provide integrated and coordinated Medicare and Medicaid benefits for dual eligible Medicare beneficiaries.

Dental/Vision/Hearing Products

Stand-alone Medicare Prescription Drug Plans (Part D)

**Medicare Prescription Drug Plan (PDP):** A stand-alone drug plan that adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private-Fee-for-Service Plans, and Medicare Medical Savings Account Plans.

Medicare Advantage Plans (Part C) and Cost Plans

**Medicare Health Maintenance Organization (HMO):** A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan’s network (except in emergent or urgent situations).

**Medicare Preferred Provider Organization (PPO) Plan:** A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors and hospitals but you can also use out-of-network providers, usually at a higher cost.

**Medicare Private Fee-For-Service (PFFS) Plan:** A Medicare Advantage Plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan’s payment, terms and conditions and agrees to treat you – not all providers will. If you join a PFFS Plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You will usually pay more to see out-of-network providers.

**Medicare Point of Service (POS) Plan:** A type of Medicare Advantage Plan available in a local or regional area which combines the best feature of an HMO with an out-of-network benefit. Like the HMO, members are required to designate an in-network physician to be the primary healthcare provider. You can use doctors, hospitals, and providers outside of the network for an additional cost.

**Medicare Special Needs Plan (SNP):** A Medicare Advantage Plan that has a benefit package designed for people with special healthcare needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.

**Medicare Medical Savings Account (MSA) Plan:** MSA Plans combine a high deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.

**Medicare Cost Plan:** In a Medicare Cost Plan, you can go to providers both in and out of network. If you get services outside of the plan’s network, your Medicare-covered services will be paid for under Original Medicare but you will be responsible for Medicare co-insurance and deductibles.

**Medicare Medicaid Plan (MMP):** An MMP is a private health plan designed to provide integrated and coordinated Medicare and Medicaid benefits for dual eligible Medicare beneficiaries.
